

Patient Monitoring Cables

Replacement ECG cables and leads are available for many of the industry's most popular equipment manufacturers.

Leadwires

| Manufacturer | Model # | Price |
|--|---------|---------|
| Datascope | | |
| 3 lead cable - 6 pin connector without resistor - DIN style | 41316 | \$38.95 |
| 3 lead cable - 6 pin connector without resistor - dual socket | 43316 | \$60.95 |
| General Electric | | |
| 3 lead cable - 11 pin connector - DIN style | 413006 | \$41.95 |
| 3 lead cable - 11 pin connector - dual socket | 433006 | \$62.95 |
| Hewlett Packard | | |
| 3 lead cable - 8 pin connector - white, green, black - DIN style | 413029 | \$41.95 |
| 3 lead cable - 8 pin connector - red, white, black - DIN style | 413030 | \$41.95 |
| 3 lead cable - 12 pin connector - DIN style | 41385 | \$45.95 |
| 3 lead cable - 12 pin connector - dual socket | 43385 | \$62.95 |
| Life Pak | | |
| 3 lead cable - 6 pin connector - DIN style | 41355 | \$41.95 |
| 3 lead cable - 6 pin connector - dual socket | 43355 | \$62.95 |
| Nellcor/MRL/Burdick | | |
| 3 lead cable - 6 pin standard with resistor - DIN style | 41320 | \$37.95 |
| 3 lead cable - 6 pin standard with resistor - dual socket | 43320 | \$60.95 |
| Nihon Koden/Spacelabs | | |
| 3 lead cable - 6 pin connector - DIN style | 41340 | \$38.95 |
